RECONSIDERATION OF THE DECISION ON HOLD OF ABANDONMENT**

Box Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Decision denying a Petition to Withdraw the Holding of Abandonment in this application was mailed to the Applicant's representative on August 19, 2004. A Request for Reconsideration of the Decision on Petition was timely filed within the two-month reply period by the undersigned on October 19, 2004. The undersigned subsequently submitted written Status Inquires on March 21, 2005 and June 2, 2005. No response was ever received to these written Status Inquiries. It was learned via a telephone conference with the Office of Petition in early February 2006 that the Office has no record of the Request of Reconsideration being filed and no copy of the Request for Reconsideration is in the file. The undersigned is therefore resubmitting the Request for Reconsideration of the Decision on Petition that was originally filed on October 19, 2004. Attached hereto is a copy of the Venable LLP stamped filing receipt indicating receipt of the original

petition by OIPE on October 19, 2004, a copy of the original Request for Reconsideration of the Decision on Petition to Withdraw Holding of Abandonment and the Revised Petition to Withdraw Holding of Abandonment. Favorable consideration of these petitions are respectfully requested.

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICIAL ACTION**

Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with MPEP 711.03, *Delgar Inc. v. Schuyler*, 172 USPQ 513 (D.D.C. 1971) and 1156 O.G. 53, Nov. 16, 1993, Applicants respectfully request that the holding of abandonment be withdrawn as Applicants' undersigned attorney of record did not receive the Notice of Allowance of November 18, 2003.

On March 15, 1999, the above application was filed in the U.S. Patent and Trademark Office.

A first Office Action was received in this case on June 20, 2002. In response to the first Office Action, a timely reply with the appropriate fee for a three-month extension of time was filed on December 18, 2002. A second non-final Office Action was then issued on March 13, 2003. A response to the second Office Action along with an Information Disclosure Statement was filed on August 27, 2003 with a three-month

Petition to Withdraw Holding of Abandonment
U.S. Application No. 09/254,864

extension of time along with the appropriate extension fee. Applicants then filed a Status Request on March 1, 2004 inquiring into the status of this application.

The next communication received from the U.S. Patent and Trademark Office was a Notice of Abandonment dated April 1, 2004 for failure to respond to the Official Notice of Allowance. However, a search of the file jacket and docket records indicates that no Notice of Allowance has been received by the Office of the undersigned.

For the Commissioner's consideration, the docketing procedures of Venable LLP are outlined hereinafter:

A computer log book, is maintained by the docketing department of Venable LLP. When mail from the U.S.P.T.O. is received, it is date stamped then the docketing department enters the Venable Docket Number, the Serial No., Inventor's Name and brief description of what is due and the mail date in the log book.

A separate computer database of applications is also maintained and is updated with the same information.

Each of these steps is designed to ensure that dates are properly docketed, and that deadlines are not missed.

As evidence of non-receipt of the Notice of Allowance dated November 18, 2003, attached hereto in an envelope is a true copy of the pages of the log book covering November 17 through December 17, 2004, the period of time one month from the mail date of the Official Action.

Petition to Withdraw Holding of Abandonment
U.S. Application No. 09/254,864

In view of the possible confidential nature of certain of the entries on the log book pages, it is requested that these be kept separate and apart from the file. The undersigned verifies that the attached is a true copy of pages of the log book maintained by the firm. In addition, also attached hereto is a true copy of a computer printout of the docketed dates for the above application.

Inasmuch as it is clear from the above that a search of the file jacket and docketing records indicate that the Official Action has not been received by the undersigned, and, as provided for in *Delgar v. Schuyler*, 172 USPQ 513 and MPEP 711.03 and MPEP 711.02, Applicants respectfully request that the holding of abandonment be withdrawn and that a new Official Action be issued in this case.

The undersigned hereby declares that all statements made herein of the undersigned's own knowledge are true and that all statements made on information and belief are believed to be true; and further that statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

As the non-receipt of the Notice of Allowance dated November 18, 2003 was due to no fault of the Applicants nor the undersigned, no fee is being submitted under 37 C.F.R. 1.137.

Dear Sir:

Applicants respectfully request reconsideration of the decision on the petition to withdraw holding of abandonment of August 19, 2004. The decision states that it is not clear from the petition if the statement regarding the search of the file jacket and docket records was a statement from the practitioner or the Applicant. Attached is a revised petition including the statement from the practitioner that a personal search of the file jacket and docketing records was performed and the results of the search indicate that the office communication was not received.

In view of this revised petition, the granting of the revised petition is respectfully requested.

DECISION ON PETITION
TO WITHDRAW HOLDING OF
ABANDONMENT

This is a decision on the Petition to Withdraw Holding of Abandonment which is treated as pursuant to 37 C.F.R. §1.181, filed April 23. No fee is required.

The petition is **DENIED**.

This application became abandoned due to failure to pay the issue fee in response to the Notice of Allowance and Issue Fee Due mailed November 18, 2003. A Notice of Abandonment was mailed on April 1, 2004.

Petitioner has alleged non-receipt of the Notice of Allowance and Issue Fee Due. In the petition, the petitioner has provided a statement that the Notice was not received by the petitioner and a copy of the docket record where the non-received Office action would have been entered had it been received and docketed.

MPEP § 711.03(c) Petitions Relating to Abandonment, states in part:...

II. PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION

The showing required to establish the failure to receive an Office communication must include a statement from the practitioner stating that:

- (a) the Office communication was not received by the practitioner;
- (b) attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received.

Moreover, a copy of the docket record where the non-received Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

As mentioned, Petitioner states that the Notice of Allowance and Issue Fee Due was not received and also references a docket log within their petition. Moreover, the petition does state:

"However, a search of the file jacket and docket records indicates that no Notice of Allowance has been received by the Office of the undersigned". What is not clear from the petition is if this is a statement from the Practitioner or the Applicant. The requirements of a successful petition to withdraw the holding of abandonment requires the statement from the Practitioner attesting to a personal search of the file jacket and docket records and indicating that the office communication was not received.

It is also noted that Petitioner requested that the docket record be held separate and apart from the application file due to potential confidential nature of certain of the entries. Unfortunately, the docket record submitted is part of the petition and can not be kept separate from the application file. It is suggested that Petitioner file a redacted copy of the docket record along with the request for reconsideration, to replace the originally submitted docket record.

Any request for reconsideration must be filed within **TWO MONTHS** of the date of this decision and include the statement from the Practitioner as outlined above.

The file is being forwarded to the file repository.
